

FOR IMMEDIATE RELEASE

***aquilaheywood* triumphs at the Professional Pensions Awards**

LONDON – 22 April 2009

aquilaheywood, the leading pensions administration software provider, has enjoyed unprecedented success at this year's Professional Pensions Awards, winning in both Pensions Software Provider of the Year and Pensions Administration System Provider of the Year categories. *aquilaheywood* is the only software supplier to have achieved this in the same year.

These prestigious awards always reflect the cream of the pensions industry and are judged by an expert panel. Winning in both categories reflects *aquilaheywood's* leadership in the field, in terms of innovative technological solutions, pensions expertise and thought leadership across the market.

David Ackroyd, Chief Executive of *aquilaheywood* stated:

"We are absolutely delighted with our success at this year's Professional Pensions Awards. We have a dynamic, expert team here at *aquilaheywood* and feel that this recognition is a just reward for all their hard work and dedication."
